

**AV Equipment On-Loan Service
School of Journalism and Communication**

Rules and Regulations

All students majoring in Journalism and Communication and Global Communication are eligible to borrow the School's AV equipment for study-related purpose. Non-major students taking COMM equipment-based courses are also eligible. Please read and observe the following instructions.

1. Students can only borrow the School's AV equipment for study-related purpose. Personal and commercial uses are strictly prohibited. Priorities will be given to students taking equipment-based courses.
2. For account activation, please complete online registration with your student ID at <http://ebooking.com.cuhk.edu.hk/> and then go to CML 209 in person with your CU Link Card and a deposit of HK\$500.
3. Once the account is activated, students can reserve AV equipment through the above online booking system, and then collect the items in person in CML 209 during working hours (Monday to Friday from 9:15am to 12:30pm, 2:15pm to 5pm) on the specified check-out date. Reserved items will be released to other users after the specified time.
4. Equipment is on loan for three days. Students may renew the loan period for a maximum of two times. If the items are requested by other students, however, the renewal will not be granted.
5. Please return the loan item(s) punctually and take good care of the equipment. **The penalty for late return is HK\$10 per day for each item.** For example, if a student borrows 3 items at one time and returns late by 2 days, the penalty will be 3 x HK\$10 x 2days = HK\$60. The penalty will be debited directly from the deposit without prior notice. If the deposit level falls below HK\$200, students will be notified by email to top up the amount. Otherwise, the account will be suspended for booking/on-loan service. **In addition to the penalty, a one-week suspension of loan accounts will be implemented if students return loan item(s) late by 3 days or more.**
6. The deposit, after deducting the penalty (if any), can be refunded to students within a month at the end of every semester. Major students can also retain their accounts and deposits throughout their studies in the school. Refunds are only available within six months of the end of the student ID card's expiration; after this, no refunds are issued. Students must clear their debts (if any) before graduation. The school reserves the right to review and adjust the amount of the deposit.
7. In principle, advanced video cameras are reserved for students taking production courses of senior level. Due to the limited supply, the School will not guarantee that all eligible students are able to borrow the advanced video cameras successfully. Please do reserve the equipment in advance.
8. The School has reserved HD video cameras for *U-Beat*, *Varsity*, *Pinpoint* and *Creative Media Laboratory* students. Students can contact your practicum instructors or teaching assistants for details of the arrangement.
9. The loan items / reserved rooms are for the sole use of the account holder. Students are not allowed to make reservations on behalf of others or pass the loan items to others. The account holder needs to take full responsibility of any booking under the account. For any loss or damage, the account holder will be charged the cost of repair or replacement.
For enquiry, please contact the School's technicians at 3943 8711 / 3943 8712 / 3943 3520.
